International Conference - "Place Matters!" The Management of Open Spaces -

As part of the transnational EU project 'Making Places Profitable - Public and Private Open Spaces (MP4)', which is funded by the Interreg IVB North Sea Region Programme, MP4 is holding an international conference in Hamburg.

More information on MP4 is available online under www.mp4-interreg.eu.

The conference will be dealing with different sponsors, organisational and financing models for the design and management of open spaces. It discusses practical examples and different models, which will be presented in workshops. The Midterm results of the MP4 project will be presented and discussed at the conference.

MP4 project partners and the practical experience come from Belgium, Denmark, England, Germany, Netherlands, Scotland and Sweden.

The detailed programme for the event and a registration form is available from the organiser (see contact).

The Hamburg Conference is hosted by the HafenCity University Hamburg HCU (Project-Management in Urban Planning) and the Johan Daniel Lawaetz-Foundation.
